Malin Development Association: Wish to thank everyone who helped out with the recent cleanups, they were a great success and our village and surrounding area is looking beautiful in time for the judging of the tidy towns competition which commences on the 1st of June. As you know it is an ongoing project and any help would be gratefully appreciated, even 10 to 15 minutes an evening checking your area for litter or painting etc, every little helps. We would also ask that if you are thinking of painting your house or premises this year you would do so in time for judging. Many thanks for all your support throughout the year and if anyone is interested in joining us we can be contacted on malindevelopmentassociation@gmail.com.
