Reception of Sacraments of Initiation: Following the reception of the Sacraments of Reconciliation/Eucharist and Confirmation. We invite the First Communion children to consider becoming altar servers in their church, and the Confirmation candidates to consider becoming readers in the church they attend. Next week via the schools we will follow up on the response, and training will be offered where appropriate to those to indicate that they are interested in becoming either altar servers or readers. Altar servers or readers are not required to attend every weekend; rotas are put in place when enough interest indicates that rotation can take place. **To accommodate all sides of the parish the meetings for new altar servers and readers will take place in St. Mary's, Lagg on Tuesday evening. – Altar Servers at 6.30pm and Readers at 7pm.**

Suggestion Box: Following the conclusion of the Parish Mission we have placed in each of our churches a 'Suggestion Box' in anticipation of a positive response of parishioners offering their gifts and talents for the benefit of the parish community. Initiatives undertaken by the Parish Pastoral Council to foster on-going faith development need volunteers to come forward and be part of this initiative. If you are willing to be part of this on-going development we request that you place your name, address and telephone number in a sealed envelope and place in the box. We will follow-up with interested parties after the summer break.

Music Ministry: It is hoped to build on the foundations that were set during the Mission by having congregational singing at the weekend Masses. In order to help with this, could you please bring your mission booklets to Mass each weekend. If you have any extra copies could you please leave them at the back of the church for others to use.

Human Life: Is sacred and inviolable at every moment of existence, including the initial phase which precedes birth. All human beings, from their mothers' womb, belong to God who searches them and knows them, who forms them and knits them together with his own hands, who gazes on them when they are tiny shapeless embryos and already sees in them the adults of tomorrow whose days are numbered and whose vocation is even now written in the "book of life" (cf. Ps 139: 1, 13-16). There too, when they are still in their mothers' womb-as many passages of the Bible bear witness -they are the personal objects of God's loving and Fatherly providence. - Evangelium Vitae, 61, Encyclical Letter of Pope John Paul II, 1995.

"We must never be afraid to allow our faith to influence and shape our political choices, especially on questions which involve the most basic human values, such as the right to life itself." - Archbishop Charles J Brown, 2nd June. **Life Website** - See chooselife2013.ie which includes news, life videos and Prayers of Intercession. Extract from Prayer for the Child in the Womb - Guide the work of doctors, nurses and midwives. May the life of a mother and her baby in the womb be equally cherished and respected. Amen.
