**Catholic Schools Week:** Every year the Church takes one week to celebrate the great gift of the Catholic Schools in Ireland. It is an opportunity for us to focus on the Catholic schools in our parish and the work being done there. The theme of Catholic Schools week this year is Catholic Schools - places of Faith and Learning. It is a reminder that a school is not just a place where lessons are taught, but that it is a place of faith, where the school community builds up and becomes the Body of Christ. The gospel tells us of the beginning of the public ministry of Jesus and the call of the first disciples. We focus on the fact that our Catholic schools play a very public part of the ministry of the Church in Ireland and one where the vocation of every Christian who is part of the school Community is nourished, sustained and strengthened.
