How often when weary do we sigh 'The spirit is willing, but the body is weak.' How often when in prayer are thoughts distracted by sounds or circumstance or prayers diverted by trivial concerns. Baggage carried with us rather than left at your feet. How often do we find ourselves apologising to you for our abbreviated prayer life. And yet you draw us still to be in your presence as you did the disciples at Gethsemene you want us to share in your life to play our part. You told your disciples to watch and pray so that they might not fall into temptation. Do you ask the same of us and do we also fail you each time we whisper 'The spirit is willing, but the body is weak.' Grant us the strength, Lord of body and of spirit to offer you the sacrifice of our lives. (www.faithandworship.com)

Footprints in the Sand: One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there were one set of footprints. This bothered me because I noticed that during the low periods of my life when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints. So I said to the Lord, "You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there have only been one set of footprints in the sand. Why, when I needed you most you have not been there for me?" The Lord replied, "The times when you have seen only one set of footprints, is when I carried you." (Mary Stevenson)
