Baptism Preparation and Support Group: The Parish Pastoral Council has recently taken steps to create a Support Group for Baptism preparation in our parish. This arose from the awareness that baptism is a very important step for parents in terms of handing on the faith to the next generation. It is the sacrament by which the parish community grows and welcomes new members. It is an opportunity for parents to deepen their own faith whilst understanding their important role in strengthening the faith of tomorrow. This group wish to celebrate with parents the joy of their child's birth and to welcome them into the worshipping community of the parish. The actual program is currently being developed within the parish and we look forward to sharing it over the next few weeks.

A Creed to Live By: Don't undermine your worth by comparing yourself to others. It is because we are different that each of us is special. Don't set your goals by what other people

deem important. Only you know what is best for you. Don't take for granted the things closest to your heart. Cling to them as you would your life, for without them life is meaningless. Don't let life slip through your fingers by living in the past or for the future. By living your life one day at a time, you live up all the days of your life. Don't give up when you still have something left to give, Nothing is really over . . . till the moment you stop trying. Don't be afraid to admit that you are less than perfect. It is this fragile thread that binds us together. Don't be afraid to encounter risks. It is by taking chances that we learn to be brave. Don't shut love out of your life by saying it's impossible to find. The quickest way to receive love is to give love; the fastest way to lose love is to hold it too tightly; and the best way to keep love is to give it wings. Don't dismiss your dreams. To be without dreams is to be without hope; to be without hope is to be without purpose. Don't run through life so fast that you forget not only where you've been, but where you are going. Life is not a race, but a journey to be savored every step of the way. (www.appleseeds.org)
