The HSE, in partnership with other organisations is developing a Suicide Prevention Action Plan for County Donegal, working with the National Office for Suicide Prevention. It is important that as many people as possible have their say about what should be included in the plan. There are a two ways you can share your thoughts- 1: pick up one of the postcards from your local GP surgery or Family Resource Centre and complete the questions and post it back to us. 2: respond to the online survey at www.surveymonkey.com/s/donegalsuicideprevention
