**Finish every day** (Ralph Waldo Emerson)

**Finish every day** and be done with it. You have done what you could. Some blunders and absurdities no doubt have crept in; forget them as soon as you can.

**Tomorrow** is a new day; begin it well and serenely and with too high a spirit to be cumbered with your old nonsense.

**This day** is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on yesterdays.
