The Beginning of a New Day

This is the beginning of a new day. God has given me this day to use as I will.

I can waste it or use it for good, but what I do today is important because I am exchanging a day of my life for it.

When tomorrow comes, this day will be gone forever, leaving in its place something that I have traded for it.

I want it to be gain and not loss; good and not evil; success and not failure; in order that I shall not regret the price I have paid for it. (www.appleseeds.org)
