Notice from Bishop Donal McKeown to parishioners: An important key to maintaining and handing on the faith is knowledge of the faith. In seeking to help us deepen our knowledge, I have arranged for every person in the parish to have trial access to online resources from the Augustine Institute (USA). Every parishioner will have free 24/7 access on any device, including computer, smartphone and tablet with internet access, until 17th March. You will find high quality, videos, courses and other material that explain the Catholic faith, explore Scripture and reflect on the deepest meaning of Marriage and Baptism, as well as many other inspiring audio talks and books on a variety of topics relevant to our faith. To access the content: Log into website: www.formed.org. To access all the material, click the login button. The username / email is: Ireland@formed.org. The password is: stpatrick. After the period of free trial access, the Augustine Institute hopes to be able to offer a service to parishes who then wish to subscribe, on a permanent basis. You are encouraged to look at this online material and your feedback is welcomed by your Parish Priest.

We are also marking the anniversary of 1916 by recording the births, deaths and marriages in 1916 in Malin Head from Lagg to Glengad Mtn and trying to build up a picture of what life was like in the area then, from them. This project will last over the next couple of months and we would be delighted to get any information and photographs on anyone who was born, married or died in 1916. We hope to present this information in a display in Malin Head Hall in the Summer. If you can help please contact Teresa (Mullin) Doherty on 087 2674857 or 9382438 or candtdoherty@eircom.net or any member of the Heritage group.
