**Continuous Prayer for Marriage and Family Life: A few thoughts about this hour of prayer:**

If you would like to undertake an hour each month arrangements will be made to facilitate this. Currently the only hour not covered is 5am – 6am. This is an excellent response from parishioners. thank you.

*"The future of humanity passes by way of the family." (Blessed John Paul 11)*

- It can be done anywhere – at home, out walking, in the church during the daylight hours, even in bed!! etc.
- This prayer is focused specifically on the concerns of Marriage and Family Life.
- All of you, who signed up should have a booklet written by Fr. Johnny Doherty, C.Ss.R. to help with this hour. In this booklet there are reflections on: Children, young people, and those preparing for marriage; married couples at every stage; all families of every combination; married people who are alone for whatever reason; those who are responsible for supporting marriage and family life.
- This booklet is there to make an hour of prayer possible for people since this can be a daunting prospect for many. There is probably too much in it for an hour. It is not essential to complete it every time. This booklet is there as a help, to be used as each person finds helpful.
