Continuous Prayer for Marriage and Family Life:

On Monday February 20th we will be participating once again in a full day of Prayer for Marriage & Family Life. This month we are asking you to focus all the prayer of the parish on the couples who have married during the year (couples names are on display in our three Churches). We would like to thank all of you who have already taken on an hour of prayer for that day and extend an invitation to others who may wish to participate. Please contact any member of our Clergy or Pastoral Council for more information.

Adoration Prayer Group: Diocesan Team will attend all masses this weekend the 11th & 12th February to give a talk on setting up an Adoration Prayer Group.

First Confession for children of Scoil Naomh Mhuire, Malin Head, and Scoil Urblereagh, Urblereagh on Tuesday 14th March at 7pm in St. Mary's Church and for Scoitl Treasa Naofa and Scoil Cholmille at 7pm in St Patrick's Aughaclay on same date.

The Annual Diocesan Lourdes Hospitalité collection is scheduled to take place this weekend of 11/12th February 2017. The Lourdes Hospitalité Fund is very dependent on the monies raised from this one collection to support people who are sick and in need of medical care. The strength of the collection determines the number of sick and the number of medical helpers that we are able to bring. Thank you for having generously supported us in the past.

Parish Draw: There will be collectors at all masses next weekend to enable anyone who wishes to join the draw. Another way to join is to contact either Priest and your details will be added to an existing promoter list.

Caring for our Environment: Inspired by Pope Francis' letter Laudate Si and working with Trocaire, some lay people in our diocese have formed a group to explore what our community can do to improve our environment, "our common home". One suggestion has been to plant trees, since this can be a tangible sign that instead of "destroying the biological diversity of God's creation" we are aware of the preciousness of our earth. See the charity: www.onemilliontreesinoneday.com for details.
