**Hello from us all here at Viatores Christi (VC)!** We once again request your help in our ongoing Mission to serve those in most need overseas - we do this by recruiting, training and placing skilled people where they are needed and where there is nobody else locally with the required skills or profession - we also appoint and support local people in roles in their own communities. We work with Irish missionaries and their local counterparts and projects – who mostly work with the most marginalised in our world and have dedicated their whole lives to this work - living and working with those they serve. We actively want to encourage lay people to consider volunteering with an overseas Mission - go and share their skills where they are needed most and train at least one person to take over when they depart. We also encourage those with no plans to go overseas to learn more about the injustices in our world - at home and overseas and what we can all do - as VC also runs an excellent 4-weekend course which is open to anyone wishing to learn more about Mission work and it's role in the world today. Always wanted to volunteer overseas? Want to do a course on global social injustice? Learn more at the Viatores Christi (VC) - Information & Recruitment Session in BELFAST on Wednesday 6th September 2017 at 7.30pm in St John's Parochial House, Falls Road, Belfast BT12 6EN OR Tel. 01 8689986 [apply@viatoreschristi.com](mailto:apply@viatoreschristi.com) [www.viatoreschristi.com](http://www.viatoreschristi.com) ALL WELCOME!
