**Pope Francis on the Unborn:** “ Among the vulnerable for whom the church wishes to care with particular love and concern are unborn children, the most defenceless and innocent among us. Nowadays efforts are made to deny them their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this. ...It is not “progressive” to try to resolve problems by eliminating human life..” Pope Francis’ Apostolic Exhortation *Evangelii Gaudium*#213-214
