Gospel Reflection: Faith and Works.

A fruit tree may be teeming with blossoms, but if it doesn't produce fruit it is barren.
A lamp may be studded with diamonds, but if it doesn't give light it is worthless.
And a faith that doesn't result in good works is dead. The fruit of prayer is faith. The fruit of faith is love.
The fruit of love is service. And the fruit of service is peace.

Prayer before The Blessed Sacrament: Every Friday Malin Oratory. All Welcome.

Parish Prayer Day for Marriage and Family Life: Next Thursday, 20th September, our parish prays for the 24 hours for Marriage & Family Life. This is part of a Movement of Continuous Prayer for Marriage & Family Life as other parishes and groups take on the prayer for the other days of the month. This month we ask for prayers especially for those who have lost a wife or husband through separation and/or divorce. This is always a very painful and often a traumatic experience for people who need our love and support. It is also a serious experience for the children involved. Hold all of them in prayer right through this month so that they will be part of our concerns well beyond this time. Everyone is invited to join in this prayer, either by taking on an hour, or by including this intention in your own prayer during that day. Just as the couple pledges their love for each other for the rest of their lives, so the Community of the Church at all levels promises to support them on their journey of love. Unfortunately many couples do have to go through the trauma of separation and/or divorce in their lives. When these happen decisions have to be made for the sake of the offended spouse and/or the children. These decisions to separate or divorce are never taken lightly but often with great pain. This creates huge problems for many married people. Now the decision is often about whether to try and remain faithful to the vows that were made and face a life alone or whether to remarry. These are not easy decisions. Those involved in making these decisions need the support of their community. The Beginning Experience is a wonderful group within the Catholic Church to help at this point.
