Parish Prayer Day for Marriage and Family Life: Saturday 20th July: Our parish prays for the 24 hours for Marriage & Family Life. **Theme: Grandparents – and Great Grandparents :**The Joy of Love: Pope Francis **We must reawaken the collective sense of gratitude, of appreciation, of hospitality, which makes the elderly feel like a living part of the community. Our elderly are men and women, fathers and mothers, who came before us on our own road, in our own house, in our daily battle for a worthy life. (191)**

Very often it is grandparents who ensure that the most important values are passed down to their grandchildren, and many people can testify that they owe their initiation to the Christian life to their grandparents. Their words, their affection or simply their presence help children realise that history did not begin with them, that they are now part of an age-old pilgrimage and that they need to respect all that came before them.

A family that fails to respect and cherish its grandparents, who are its living memory, is already in decline, whereas a family that remembers has a future.
