Beatitudes of life:

Blessed are the faithful: they are the safe anchors in a world of broken moorings.

Blessed are the just: they are to society what leaven is to bread.

Blessed are the generous: they keep alive our faith in the essential goodness of people.

Blessed are the caring: they shine like beacons in a world darkened by indifference .

Blessed are the genuine: they glow like gems in a world of falseness.

Blessed are those who are not afraid of sacrifice: on the day of the harvest they will sing for joy. And blessed are those who refuse to look back: they will be found worthy of the Kingdom of Heaven.
