**Reflection: Look for the things of Heaven:**

**There is nothing wrong with the world in itself: God made the world and it is good. But we must look beyond it to its creator if we are to appreciate the kingdom to which God has called us.**

**Heavenly Glory:** While out for an evening walk I emerged from an area where the streets were lit by bright lamps, and came into an open, dark area. It was only then I discovered that the sky was full of stars. And I thought to myself: how easily and how effectively the earthly lights extinguish the heavenly ones. Lord, help us to seek the things that make us rich in your sight, and grant that the glitter of this world may not dim our hopes of heavenly glory.
