We hope that you will be able to us on Saturday 28th September 2019 in Our Lady and St Patrick's College in Belfast. The Faith and Life Convention is in its 6th year and is a day to reflect on issues in society in the light of the Gospel. This year our theme for the convention is Faith in a Better World and our Keynote Speaker will be Michel Camdessus. Michel is the former director of the International Monetary Fund (IMF) and a member of the Pontifical Council on Justice and Peace. The keynote speech will be followed by a panel discussion where together we can reflect on the variety of issues that we face in society today. The highlight of the day for many people is the variety of workshops on offer and this year we have an impressive line-up of local and international speakers. The convention is an excellent opportunity to network with people from across the Northern Dioceses. We look forward to welcoming you and having an enjoyable day where we can encourage one another to be people of active faith in our society.
