Advent Week 2: Our responsibility for the world: Pope Francis wrote : “ If we no longer speak the language of fraternity and beauty in our relationship with the world, our attitude will be that of masters, consumers, ruthless exploiters, unable to set limits on our immediate needs.
 (*Laudato Si Encyclical*)

Reflection for the 2nd Sunday of Advent:

The voice of John the Baptist was a lonely voice. There are many lonely voices in our world, coming not only from the prophets, but also from the victims of injustice and neglect. Lord, help us to listen to these voices. Above all, help us to listen to Your voice, whispering to us in the wilderness of our hearts, telling us that we are loved by you, and that we are loved by you, and that we are to love one another.
